

The Jewish people have a long history in Arizona dating back well before statehood in 1912. In fact, people of Jewish ancestry arrived in Arizona even before we arrived in new Amsterdam in 1654! Jews have flourished in every walk of life in Arizona building, developing, and enhancing our state.

AZJHS has restored Phoenix's original synagogue building into a Phoenix Point of Pride museum, cultural center, and event venue open to people of all faiths.

Why Become A Member?

The Arizona Jewish Historical Society documents Jewish life and educates the public through our restored gallery, the Cutler Plotkin Jewish Heritage Center.

Your membership supports:

- Museum exhibitions on Jewish History and Art,
- Jewish Genealogy Programs,
- Documentary film screenings, book discussions and education,
- A unique community archive, with over 50,000 photos, documents and artifacts relating to Jewish history in Arizona.

HOLOCAUST EDUCATION

AZJHS is honored to present conversations and workshops with Holocaust Survivors, Liberators, World War II Veterans, and other influential individuals with experience and knowledge of the Holocaust and genocide.

BUILDING A LEGACY OF HOPE

With the support of members and donors, AZJHS is raising funds to build a state-of-the-art Holocaust Education Center that will use interactive technology and innovation to emotionally connect visitors to the Holocaust. Our goal is to host 20,000 Arizona school students each year, inspiring them to become advocates that work toward a world free of antisemitism, hatred, and bigotry.
